

REMARKS/ARGUMENTS

Claim 16 is canceled by this response. No claims are amended or added. Accordingly, following entry of these amendments and remarks, claims 1-5 and 9-12 will remain pending for Examination.

In the latest office action, the Examiner indicated the allowability of claims 1-5 and 9-12, while rejecting claim 16 and objecting to the drawings for failure to show certain elements of claim 16. Claim 16 is canceled by this response, rendering moot the remaining claim rejections and objection to the drawings.

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested. If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,
